2. Click on the Upload button.

The screenshot displays the 'My Portfolio' section of the Avenue interface. The top navigation bar includes 'My Portfolio' (highlighted in orange), 'Canadian Language Benchmarks', 'My Canada', 'Where I Live', and 'Helpful English'. Below this, a row of buttons contains 'Listening', 'Reading', 'Writing', 'Speaking', 'Other', and 'About Me', each with a small 'FO CB' icon. To the right of these are filters for 'Name', 'Course', 'All' (with a dropdown arrow), and 'Most Recent'. The 'Upload' button, represented by an upward-pointing arrow icon, is located at the far right of this row. A red callout box with a pointer to the 'Upload' button contains the text 'Click here.'

New artifact is on the left.

The screenshot displays the Avenue user interface. At the top, there are navigation tabs: "My Portfolio" (highlighted in orange), "Canadian Language Benchmarks", "My Canada", "Where I Live", and "Helpful English". Below these tabs is a filter bar with categories: "Listening", "Reading", "Writing", "Speaking", "Other", and "About Me". There are also filters for "Name", "Course", "All", "Most Recent", and an upload icon.

The main content area shows a grid of artifact cards. The first card on the left is highlighted with a red border. It features a green header with the text "(3) (2) (1) Leaving a voice ..." and a document icon. The card contains a large text area with a blurred document image. At the bottom of the card, it says "Sepideh's Course" and "Updated 4 minutes ago". A red callout bubble with a white background and black text points to this card, containing the text "New artifact is here."
